

At which stores do you currently buy your personal	•
care, home care and health care products?	

What are the loyalty programs at those stores? Do they give you gas points, rebates, coupons, etc? If so, how much do they give back to you?

Put a next to any of the following products that you use, and note approximately how much you spend on these products monthly. Add up the cost for each column, then total both columns.

Product	Cost Product	Cost
<b>→</b>	<b>✓</b>	
Vitamins	Household Cleaners	What is the total of
Protein Shakes	Hand Soap	both columns?
Fish Oil/Omegas	Dishwasher Detergent	Socii columno.
Muscle Rub	Hair Styling Products	
Anti-Inflammatories	Hair Repair Products	
Weight Loss Products	Antacids	Multiply black and a cost
Digestive Enzymes	Green Drinks	Multiply that amount
Probiotics	Hand/Body Lotion	by .10
Bar Soap	First Aid Ointment	
Bath/Shower Gel	Acne Products	
Facial Toner	Shampoo	
Facial Cleanser	Conditioner	Multiply that amount
Facial Moisturizer	Toothpaste	
Anti-Aging Serum	Mouthwash	by .30
Cough/Throat Drops	Deodorant	
Bone Nutrients	Children's Vitamins	
Laundry Detergent	Energy Supplements/Drinks	
Column Total	Column Total	

These are the dōTERRA equivalents to the products you are currently using. Place a 1 next to the ones that you will be purchasing in the next 30 days, a 2 next to the ones you will be purchasing in the next 60 days, and a 3 next to the ones you will be purchasing in the next 90 days.
